

SUMMER CAMPS with Charlene Collins Freeman

Come join me! To register, visit <https://charlenecollinsfreeman.com/workshops/>

KEEPING A SKETCHBOOK for 9 - 12 YEAR OLDS July 9 - 13 4pm - 6pm

Join Charlene for a weeklong workshop on developing the practice of keeping a sketchbook. Students will focus on using both words and drawings to explore their world. We will explore how to see like an artist and develop basic drawing and watercolor skills. We will learn how to make drawing a habit and incorporate it into your everyday life by filling up sketchbooks with every day experiences. Your sketchbook is the story of your life. \$125 (Supplies are provided.)

WATERCOLORS for 9 - 12 YEAR OLDS July 16 - 20 4pm - 6pm

Discover the magic of watercolor painting! Learn about watercolor techniques in a fun, nurturing atmosphere. You'll be amazed at how fast you progress. Learn to see like an artist, develop basic drawing and brushstroke skills. We will paint still life paintings, animals, and landscapes. \$125 (Supplies are provided.)

COLOR PENCILS for 9 - 12 YEAR OLDS July 23 - 27 4pm - 6pm

Discover the magic of color pencils! Learn about techniques in a fun, nurturing atmosphere. You'll be amazed at how fast you progress. Learn to see like an artist, develop basic drawing and color pencil skills. We will paint still life paintings, animals, and landscapes. \$125 (Supplies are provided.)

KEEPING A SKETCHBOOK for TEENS July 30 - August 3 4pm - 6pm

Join Charlene for a weeklong workshop on developing the practice of keeping a sketchbook. Students will focus on using both words and drawings to explore their world. We will explore how to see like an artist and develop basic drawing and watercolor skills. We will learn how to make drawing a habit and incorporate it into your everyday life by filling up sketchbooks with every day experiences. Your sketchbook is the story of your life. \$125 (Supplies are provided.)

REALISTIC DRAWING for TEENS August 6 - 10 10am - 1pm

Drawing is the foundation of the visual arts and anyone can learn to draw. This class will build a solid foundation of drawing skills to be able to draw realistically! Charlene will guide students through the process of developing drawing skills to render realistically using line and contour, shape and form, light and shadow, proportion and perspective. Principles of composition will also be covered. \$135 (Supplies are provided.)
